User Manual

Congratulations for buying EasyPad 970!
Thank you very much for your trust and your decision to buy an EASYPIX product!

As we constantly update and improve EasyPad there may be small differences
between the printed manual and your EasyPad in some cases. You have
the option of downloading the current version of the manual and firmware updates
for your EasyPad from our website www.easypix.eu.

EASYPAD® for Android™

This user manual contains important safety instructions and information for proper use of the device. Please follow the instructions in this manual carefully.

A Please keep the device away from places with high temperatures, high humidity or dust.

B In particular please avoid leaving the device in the car during summer if the doors are closed.

C Avoid shocks and do not let the device fall, as otherwise it may cause damage to the device.

D The Standby Time of the batteries may vary due to different environmental influences.

E We are not responsible for data losses that are caused by damage to the product, repairs or any other reasons.

F Do not open the housing of the device. Doing this will void your warranty claims.

G Do not use alcohol, thinners or petrol to clean the display – use only a dry cloth.

Power monitoring and charging the batteries

The battery charge symbol ▮ in on the status bar indicates
the charging status of the batteries.
If the power goes down, the device shuts itself off automatically.
If less power is shown, use the power adapter to charge the device.

The charging time for the battery is approximately four hours.

Screen lock

If the device is not used for specified time or the 'Power' button
is pressed briefly, the screen is switched off and display lock
is activated.
By pressing the 'Power' button briefly the screen will be reactivated.
For locking the screen press the 'Lock' button in the specified
direction.

Connecting to the computer and data transfer

EasyPad is equipped with a High-Speed USB2.0 Interface.
After you connect the device to a computer, it appears in
the status display
